#### **BAIRNSDALE REGIONAL HEALTH SERVICE**

Bairnsdale Regional Health Service (BRHS) is a multifaceted and growing regional health system providing a comprehensive array of health care services to the East Gippsland community. BRHS is driven by our mission to provide quality health and well-being services that deliver the best possible health outcomes to our community.

Three campuses in Bairnsdale provide opportunity for staff and students across a wide range of professional specialties including emergency, acute, sub-acute, maternity, residential aged care, allied health, community health, oral health, information technology, administration, finance and extensive support services. As the region's largest employer, BRHS is a magnet that attracts talented professionals to the region, and maintains a strong commitment to developing key strategic partnerships to enhance healthcare services in the region strengthening our community.

We maintain a strong commitment to understand the health service needs of the local population. Our fundamental commitment to partnering with our consumers through ongoing collaboration supports our delivery of great consumer experience and health outcomes.

BRHS is located on the lands of the Gunaikurnai people. Find out more about BRHS here

#### **DEPARTMENT**

The Medical Imaging department is a modern, dynamic department with state of the art equipment. It is a very busy department and liaises closely with the Emergency Department, Wards, local Doctors and Visiting Specialists. There is also an x-ray and ultrasound service located within the business district of Bairnsdale. The department is complimented by the expertise of visiting Radiologists. The department provides the following services:

- Multislice Computed Tomography
- Sonography
- Magnetic Resonance Imaging
- Digital Mammography, including BreastScreen
- Fluoroscopy
- General Radiography
- Bone Mineral Densitometry
- Dental Radiography
- Interventional Radiology
- Theatre and Mobile

#### **POSITION OBJECTIVE**

To provide high level Sonography services to Medical Imaging clients and clinicians within BRHS in conjunction with other Medical Imaging team members, ensuring best practice in service delivery and efficiency is delivered within the organisation's vision, strategic objectives and organisational principles. The role will also provide supervision, guidance and teaching to Student and junior Sonographers.

#### ORGANISATIONAL INFORMATION

#### Our mission:

To provide quality health and well-being services that deliver the best possible health outcomes to our community.

#### Our purpose:

To improve the lives of our patients, their families and our community.

#### Our principles of care

We are committed to providing the highest level of treatment to the people of East Gippsland, delivered with care and compassion for every individual, every time.

#### 1. Quality

A quality service achieves positive outcomes. We are committed to finding the best possible solutions for our community's heath challenges.

#### 2. Integrity

We consistently adhere to principles of professionalism and follow through on our promises with care and accuracy. We can be relied upon and trusted.

#### 3. Communication

We listen. Effective communication will help to ensure the best level of care is provided to patients, and clinical outcomes are optimised.

#### 4. Kindness

Our people are our community; patients, carers, staff and volunteers. They are the heartbeat of our service. We treat each other with respect, empathy and compassion.

#### Our focus 2022-2026

- 1. Excellence in the care we provide
- 2. Investing in our people
- 3. Future proofing our resources
- 4. Collaboration for value generation

#### **RESPONSIBILITIES & ACCOUNTABILITIES**

#### **Primary Responsibilities**

- Perform the majority of Ultrasound examinations offered at BRHS in accordance with ASAR guidelines and ASUM Competency Based Standards to a high level without supervision.
- Select the appropriate equipment and accessories to perform sonographic examinations in accordance with the ASUM Guidelines.
- Participate in Continuing Professional Development (CPD) program.
- Participate in clinical educational and health promotional programs.
- Supervise and teach Student and Junior Sonographers as well as provide education to staff from other professions.
- Provide specialist advice to other employees including secondary consultation to all stakeholders
- Enter data into Radiology Information System (RIS) accurately.
- Enter images into the Picture Archive and Communication System (PACS) accurately.
- Undertake other duties as required by the Manager that are within the scope and skill consistent with the position.

#### **Strategic Imperatives**

- Demonstrate an awareness and understanding of BRHS' strategic plan and contribute to the team's work plan to achieve organisational goals.
- Ensure all work practices comply with current BRHS policies, procedures and/or guidelines.
- Be familiar with the organisation's principles of care and demonstrate alignment to these in your day to day practice.
- Demonstrate an awareness and compliance with the BRHS Consumer Engagement strategy to foster person-centred practice.
- Adopt and maintain a progressive and evidence-based approach to service delivery.

#### **Professional Development**

- Actively engage in the annual performance review and development appraisal with direct supervisor.
- Maintain professional competencies and registration (if applicable) and undertake relevant professional development, continuing education and training.
- Ensure completion of mandatory competencies (both organizational and profession-specific).

### **Work Health and Safety**

- Regularly monitor and review personal work practices and the environment to ensure a healthy and safe workplace in accordance with BRHS policies/procedures and legislative requirements.
- Adhere to Occupational Health and Safety, Equal Employment Opportunity, Emergency Management, Waste Management, Environmental Sustainability and Infection Control policies and legislation.
- Proactively report OH&S hazards, incidents and injuries to supervisor.

#### **Quality and Risk Management**

- Actively participate and contribute to quality improvement activities, by identifying and making
  recommendations on opportunities to improve processes, workplace health and safety, quality and service
  delivery outcomes.
- Adhere to BRHS incident and complaint investigation policies and procedures.
- Manage risk in daily work practices.

- Adhere to all organisational policies and procedures.
- Ensure a good knowledge of policies relating to reportable conduct, child safe standards and hospital response to family violence.

### **Information and Resource Management**

- Understand the purpose of, and be able to use client/corporate records systems and common software applications confidentially and appropriately
- Prepare documentation using clear, concise and grammatically correct language appropriate to the role and service requirements.
- Record and maintain accurate and timely data as directed to meet relevant funding and policy requirements.
- Work within budget requirements and use resources appropriately.
- Comply with record and information management requirements in accordance with relevant BRHS policies and guidelines.
- Ensure information relating to patients/clients and colleague's is kept private and confidential at all times in accordance with BRHS policy and procedures.

#### **Communication and Teamwork**

- Actively participate in team meetings, staff forums and other meetings relevant to the role, and as required by supervisor.
- Work in a co-operative and collaborative manner with all team members to foster a positive and supportive work environment and person-centred service provision.
- Provide guidance and support to students and staff in your work area to contribute to a valuable and constructive learning experience.

#### **Diversity and Inclusion**

- Support an inclusive environment where all individuals are treated fairly, with respect and receive the same opportunities.
- Actively participate in developing cultural competence including an awareness and understanding of the diverse range of cultures and backgrounds, including Aboriginal and Torres Strait Islander people, members of the LGBTIQ community and people with a disability.
