Willingness to embrace and promote our organisational values:

GENUINE

RESPECT

EXCELLENCE

ACCOUNTABILITY

TOGETHERNESS

G – Genuine. Being consistently honest, trustworthy and accountable.

R – Respect. This is a reflection on our behaviours, attitudes and words, always being fair, honest and caring to those who we work and come in contact with.

E – Excellence. Only the best by us will do, achieving the highest standard of service and care.

A – Accountability. We consistently do what we say we are going to do by supporting and holding each other to account.

T – Togetherness. Working together to support common values and vision for shared goals.

Quality Improvement

Employees are required to participate with the organisation in the Quality Improvement program to encourage excellence of care and ensure effective and safe use of resources.

This includes participation in appropriate courses of training required by the Health Service and to share knowledge with other staff members.

Risk Management

Each employee has a duty to take a proactive role in contributing to the identification, management and reporting of risks, including near misses and hazards. Employees who identify a risk are required to take first line action to minimise the risk and to then report it to their direct line manager for further management. All employees are required to report any incidents that occur during the course of their duties.

Occupational Health & Safety

Each employee has the right to a safe working environment and s/he should advise the supervisor of any risk or condition likely to result in accident or injury. Each employee has the responsibility to take reasonable care of their own health and safety, to co-operate with the MDHS OH&S policies and to participate in appropriate safety education and evaluation activities.

Equal Opportunity, Workplace Behaviours & Code of Conducts

MDHS endorses the Victorian State Government Code of Conduct. Each employee has the right to equal opportunity and a work environment free from any form of workplace harassment and bullying. Each employee must adhere to MDHS Policies in this regard and participate in education and training.

Each employee must demonstrate an understanding of appropriate behaviours when engaging with children, according to MDHS' Child Safety Policy and Child Safety Code of Conduct.

Infection Control

Each employee has the responsibility to minimise the risk of acquisition or exposure of infections to patients, residents, visitors and health care workers, arising from activities within the health care environment. Risk management strategies are to be supported by all staff in adhering to the Infection Control Policy Manual Guidelines.

Confidentiality

The employee has a responsibility to adhere to the MDHS Policies, as a condition of employment. They are required to maintain confidentiality with reference to all matters relating to the Health Service and patients of the Health Service, both internally and externally.

Failure to observe this requirement may be regarded as misconduct warranting termination and incur liability to penalty pursuant to Section 141 of the Health Services Act, 1988.

Key Selection Criteria

Essential

- KSC1** Demonstrate the ability to undertake appropriate care that meets the individual needs of the resident and relatives.
- KSC2** Demonstrate an ability to develop and review Resident Care Plans.
- KSC3** Highly developed interpersonal skills, with the ability to communicate effectively with residents, families, carers, staff and others.
- KSC4** Well developed written skills.
- KSC5** Demonstrated evidence of commitment to ongoing education and professional development to ensure working within current scope of practice.

Other Relevant Information

- Statements included in this position description are intended to reflect in general the duties and responsibilities of the position.
- Management may alter this Job Description if and when the need arises. Any such changes will be made in consultation with the affected employee(s).
- Probation Period is six (6) months from commencement. A Performance Review will be undertaken three (3) and six (6) months from commencement then quarterly, taking account of the key roles and responsibilities outlined in this position description. In addition to reviewing performance (individual and work team), the annual meeting provides an opportunity to ensure role clarity, revise key performance activities/measure and set development objectives and goals for the year ahead.
