## BAIRNSDALE REGIONAL HEALTH SERVICE

Bairnsdale Regional Health Service (BRHS) is a multifaceted and growing regional health system providing a comprehensive array of health care services to the East Gippsland community. BRHS is driven by the vision to be an innovative leader in the health care field and provide outstanding person centred services to our community.

Three campuses in Bairnsdale provide opportunity for staff and students across a wide range of professional specialties including emergency, acute, sub-acute, maternity, residential aged care, allied health, community health, oral health, information technology, administration, finance and extensive support services. As the region's largest employer, BRHS is a magnet that attracts talented professionals to the region, and maintains a strong commitment to developing key strategic partnerships to enhance healthcare services in the region strengthening our community.

We maintain a strong commitment to understand the health service needs of the local population. Our fundamental commitment to partnering with our consumers through ongoing collaboration supports our delivery of great consumer experience and health outcomes.

BRHS is located on the lands of the Gunai Kurnai people. Find out more about BRHS [here](#)

## DEPARTMENT

The Emergency Department of the Bairnsdale Regional Health Service provides trauma and emergency healthcare to the people of Bairnsdale and the wider East Gippsland region. The department currently has an EFT of 18.5 consisting of a full time NUM, ANUM's, Registered Nurses and Enrolled Nurses. The department includes a 5 bed Short Stay Unit and an Emergency Nurse Practitioner operating out of a fast track treatment area. Medical staffing is comprised of SMO's with support from HMO's and interns on rotation. Additional support is provided by the VMO community. The health service also has a combined Medical/Surgical ward which incorporates a 4 bed High Dependency Unit.

## POSITION OBJECTIVE

- To be an integral member of the Emergency Department team by contributing to, and providing excellence in nursing care in accordance with BRHS policies and procedures.
- To meet the needs of the community, support colleagues, and the organisation.
- To maintain and achieve best practice using principals of Evidence Based Practice to improve the delivery of patient care and service delivery

## ORGANISATIONAL INFORMATION

### Vision:

Respected leader of outstanding health care

### Role Statement:

To improve the health and wellbeing of the East Gippsland community by providing accessible, high quality and sustainable health services.

### Strategic Objectives

1. Safe, Effective Care
2. Skilled, valued and compassionate workforce
3. Leadership, accountability and a sustainable future
4. The consumer at the centre

### Organisational Principles

#### 1. Progressive

BRHS will ensure that our models of care are evidence based and contemporary and we are leaders of regional health care in a rural environment.

#### 2. Accountable

BRHS will acknowledge our obligations through a culture of honesty, trust and absolute responsibility for its action.

#### 3. Competent

BRHS will demonstrate compassion, proficiency and knowledge as a learning organisation to ensure our care is always safe and effective.

#### 4. Person Centred

BRHS will work in partnership with patients, families and carers to empower them to make informed decisions about their own health and create a positive patient experience.

#### 5. Collaborative

BRHS will establish relationships that enhance the delivery of safe, effective and integrated and high quality health services for the community of East Gippsland.

### Trademark Behaviours

1. Display trust & mutual respect
2. Have courage to change
3. Step up & take responsibility
4. Be positive & support others
5. Learn & apply knowledge

## RESPONSIBILITIES & ACCOUNTABILITIES

### Primary Responsibilities

- Assess, plan, implement and evaluate care in a competent, compassionate manner.
- Work with a multi-disciplinary team to ensure the delivery of high quality evidence based care.
- Respect all patient/clients freedom and rights.
- Undertake primary and secondary surveys effectively.
- Perform IV cannulation and management of central venous catheters competently.
- Take appropriate action where health and well-being of the patient/client is threatened.
- Perform triage and waiting room management in an effective manner.
- Provide excellent customer service skills.
- Begin ED specific learning packages as required and to be completed within agreed timeframes.
- Incorporate the principles of BRHS and encourage and facilitate the professional development of nursing and other staff.
- Work well during high pressure situations.
- Participate in the early establishment of discharge plans and ensure patient and \or ward is well informed of post ED care prior to discharge.
- Ensure nursing practices are compliant with current policy and clinical guidelines and accept professional accountability within the legal and ethical parameter relevant of the patient setting.
- Undertake other duties as required by the Manager that are within the scope and skill consistent with the position.

### Strategic Imperatives

- Demonstrate an awareness and understanding of BRHS' strategic plan and contribute to the team's work plan to achieve organisational objectives.
- Ensure all work practices comply with current BRHS policies, procedures and/or guidelines.
- Be familiar with the organisation's principles and demonstrate alignment with the trademark behaviours in day to day practice.
- Demonstrate an awareness and compliance with the BRHS Consumer Engagement strategy to foster person-centred practice.
- Adopt and maintain a progressive and evidence-based approach to service delivery.

### Professional Development

- Actively engage in the annual performance review and development appraisal with direct supervisor.
- Maintain professional competencies and registration (if applicable) and undertake relevant professional development, continuing education and training.
- Ensure completion of mandatory competencies (both organizational and profession-specific).

### Work Health and Safety

- Regularly monitor and review personal work practices and the environment to ensure a healthy and safe workplace in accordance with BRHS policies/procedures and legislative requirements.
- Adhere to Occupational Health and Safety, Equal Employment Opportunity, Emergency Management, Waste Management, Environmental Sustainability and Infection Control policies and legislation.
- Proactively report OH&S hazards, incidents and injuries to supervisor.

## Quality and Risk Management

- Actively participate and contribute to quality improvement activities, by identifying and making recommendations on opportunities to improve processes, workplace health and safety, quality and service delivery outcomes.
- Adhere to BRHS incident and complaint investigation policies and procedures.
- Manage risk in daily work practices.
- Adhere to all organisational policies and procedures.
- Ensure a good knowledge of policies relating to reportable conduct, child safe standards and hospital response to family violence.

## Information and Resource Management

- Understand the purpose of, and be able to use client/corporate records systems and common software applications confidentially and appropriately
- Prepare documentation using clear, concise and grammatically correct language appropriate to the role and service requirements.
- Record and maintain accurate and timely data as directed to meet relevant funding and policy requirements.
- Work within budget requirements and use resources appropriately.
- Comply with record and information management requirements in accordance with relevant BRHS policies and guidelines.
- Ensure information relating to patients/clients and colleague's is kept private and confidential at all times in accordance with BRHS policy and procedures.

## Communication and Teamwork

- Actively participate in team meetings, staff forums and other meetings relevant to the role, and as required by supervisor.
- Work in a co-operative and collaborative manner with all team members to foster a positive and supportive work environment and person-centred service provision.
- Provide guidance and support to students and staff in your work area to contribute to a valuable and constructive learning experience.

## Diversity and Inclusion

- Support an inclusive environment where all individuals are treated fairly, with respect and receive the same opportunities.
- Actively participate in developing cultural competence including an awareness and understanding of the diverse range of cultures and backgrounds, including Aboriginal and Torres Strait Islander people, members of the LGBTIQ community and people with a disability.
