## BAIRNSDALE REGIONAL HEALTH SERVICE

Bairnsdale Regional Health Service (BRHS) is a multifaceted and growing regional health system providing a comprehensive array of health care services to the East Gippsland community. BRHS is driven by our mission to provide quality health and well-being services that deliver the best possible health outcomes to our community.

Three campuses in Bairnsdale provide opportunity for staff and students across a wide range of professional specialties including emergency, acute, sub-acute, maternity, residential aged care, allied health, community health, oral health, information technology, administration, finance and extensive support services. As the region's largest employer, BRHS is a magnet that attracts talented professionals to the region, and maintains a strong commitment to developing key strategic partnerships to enhance healthcare services in the region strengthening our community.

We maintain a strong commitment to understand the health service needs of the local population. Our fundamental commitment to partnering with our consumers through ongoing collaboration supports our delivery of great consumer experience and health outcomes.

BRHS is located on the lands of the Gunaikurnai people. Find out more about BRHS [here](#)

## DEPARTMENT

Maddocks Gardens is a purpose built 90 bed complex combining high, low and respite care residential services. The facility includes Bluegum, a 30 bed mixed high/low care unit, Banksia, a 28 bed low care unit and Sutherland Lodge, a 32 bed dementia specific unit.

Our aim is to allow residents to reside in a friendly and relaxed environment promoting independence and quality of life. Maddocks Gardens caters to residents with dementia, the frail aged with complex needs, and a multicultural population. Low and High Care Residential Respite is an integral part of the service provision.

The multidisciplinary teams include Registered and Enrolled nurses, Health Care Workers, Diversional Therapists and activities staff. All staff work collaboratively with GP's and Allied Health Professionals to provide residents with holistic, contemporary, best practice care.

## POSITION OBJECTIVE

To provide exceptional care of frail, elderly residents of Maddocks Gardens and to achieve the organisations vision, objectives, and principles through the planning and delivery of care that reflects Commonwealth Department of Health and Family Care Standards for Residential Aged Care Services. The position will ensure best practice in clinical practice that reflects the Australian Nursing Council National Competency Standards for Enrolled Nurses. The position will work

as part of a multidisciplinary team of health care professionals and volunteers and document all care in a manner that enables the facility to demonstrate its ability to meet client needs.
