BAIRNSDALE REGIONAL HEALTH SERVICE

Bairnsdale Regional Health Service (BRHS) is a multifaceted and growing regional health system providing a comprehensive array of health care services to the East Gippsland community. BRHS is driven by our mission to provide quality health and well-being services that deliver the best possible health outcomes to our community.

Three campuses in Bairnsdale provide opportunity for staff and students across a wide range of professional specialties including emergency, acute, sub-acute, maternity, residential aged care, allied health, community health, oral health, information technology, administration, finance and extensive support services. As the region's largest employer, BRHS is a magnet that attracts talented professionals to the region, and maintains a strong commitment to developing key strategic partnerships to enhance healthcare services in the region strengthening our community.

We maintain a strong commitment to understand the health service needs of the local population. Our fundamental commitment to partnering with our consumers through ongoing collaboration supports our delivery of great consumer experience and health outcomes.

BRHS is located on the lands of the Gunaikurnai people. Find out more about BRHS [here](#)

DEPARTMENT

Rotamah is a 17 bed Midwifery, Paediatric, Palliative and General Medical ward, providing a diverse mix of patient care requirements. Patient care is provided by a skilled nursing and midwifery team and is well supported by Medical, Allied Health and Ancillary staff.

Midwives, Registered and Enrolled Nurses work together to provide care for the support the whole client cohort with midwives overseeing the maternity care and providing the majority of care in this domain and nurses overseeing the general, paediatrics and palliative care. Each team assists with each patient cohort as required. Rotamah also provides placement and support for Midwifery, Registered and Enrolled Nurse undergraduate, graduate and postgraduate students.

POSITION OBJECTIVE

- Be an integral member of the Rotamah team by providing excellent patient centred and compassionate nursing care to Paediatric, Palliative and General Medical patients in accordance with BRHS policies and procedures.
- Maintain and achieve best practice nursing using principals of Evidence Based Practice to improve the provision of patient care and service delivery.

ORGANISATIONAL INFORMATION

Our mission:

To provide quality health and well-being services that deliver the best possible health outcomes to our community.

Our purpose:

To improve the lives of our patients, their families and our community.

Our principles of care

We are committed to providing the highest level of treatment to the people of East Gippsland, delivered with care and compassion for every individual, every time.

1. Quality

A quality service achieves positive outcomes. We are committed to finding the best possible solutions for our community's health challenges.

2. Integrity

We consistently adhere to principles of professionalism and follow through on our promises with care and accuracy. We can be relied upon and trusted.

3. Communication

We listen. Effective communication will help to ensure the best level of care is provided to patients, and clinical outcomes are optimised.

4. Kindness

Our people are our community; patients, carers, staff and volunteers. They are the heartbeat of our service. We treat each other with respect, empathy and compassion.

Our focus 2022-2026

1. Excellence in the care we provide
2. Investing in our people
3. Future proofing our resources
4. Collaboration for value generation

RESPONSIBILITIES & ACCOUNTABILITIES

Primary Responsibilities

- Provide care that is patient centered and clinically appropriate to achieve patient safety, comfort and overall health improvement.
- Develop a care plan for each patient in consultation with the patient (as much as possible) to provide patient centred care.
- Commence discharge planning on the day of admission and effectively communicate expected plans to the patient and/or family.
- Observe, record and communicate to the ANUM or NUM matters related to changes in the general and specific physical condition of the patient.
- Be familiar with the clinical guidelines relating to the escalation of care and take appropriate action when patients observation's enter the 'trigger zones' or there are condition changes or deterioration.
- Communicate effectively and respectfully with the patient and their family
- Work in partnership with the multidisciplinary team to ensure support and education is provided to the patient and/or family.
- Act as a patient advocate at all times.
- Ensure medications are administered to patients according to all legislated guidelines and be familiar with and practice the 8 rights of medication safety.
- Respect all patient/clients freedom and rights.
- Have a good knowledge of the patient and family's right to escalate care when required, and inform them of the RAISE Policy on admission.
- Ensure practices are conducted in a professional manner and in line with current policies, guidelines and procedures.
- Attend professional development activities that are associated with relevant and current work practices that will provide more learning, skills and knowledge.
- Share knowledge gained through experience and education.
- Ensure the delivery of best practice quality care within the scope of practice for an RN
- Provide professional leadership to other staff including undertaking in-charge shifts (if within your skill base) if required.
- Assist with the provision of basic nursing care to midwifery patients as directed/requested (eg check vital signs)
Undertake other duties as required by the Manager/Team Leader that are within the scope and skill consistent with the position.

Strategic Imperatives

- Demonstrate an awareness and understanding of BRHS' strategic plan and contribute to the team's work plan to achieve organisational goals.
- Ensure all work practices comply with current BRHS policies, procedures and/or guidelines.
- Be familiar with the organisation's principles of care and demonstrate alignment to these in your day to day practice.
- Demonstrate an awareness and compliance with the BRHS Consumer Engagement strategy to foster person-centred practice.
- Adopt and maintain a progressive and evidence-based approach to service delivery.

Professional Development

- Actively engage in the annual performance review and development appraisal with direct supervisor.
- Maintain professional competencies and registration (if applicable) and undertake relevant professional development, continuing education and training.

- Ensure completion of mandatory competencies (both organizational and profession-specific).

Work Health and Safety

- Regularly monitor and review personal work practices and the environment to ensure a healthy and safe workplace in accordance with BRHS policies/procedures and legislative requirements.
- Adhere to Occupational Health and Safety, Equal Employment Opportunity, Emergency Management, Waste Management, Environmental Sustainability and Infection Control policies and legislation.
- Proactively report OH&S hazards, incidents and injuries to supervisor.

Quality and Risk Management

- Actively participate and contribute to quality improvement activities, by identifying and making recommendations on opportunities to improve processes, workplace health and safety, quality and service delivery outcomes.
- Adhere to BRHS incident and complaint investigation policies and procedures.
- Manage risk in daily work practices.
- Adhere to all organisational policies and procedures.
- Ensure a good knowledge of policies relating to reportable conduct, child safe standards and hospital response to family violence.

Information and Resource Management

- Understand the purpose of, and be able to use client/corporate records systems and common software applications confidentially and appropriately
- Prepare documentation using clear, concise and grammatically correct language appropriate to the role and service requirements.
- Record and maintain accurate and timely data as directed to meet relevant funding and policy requirements.
- Work within budget requirements and use resources appropriately.
- Comply with record and information management requirements in accordance with relevant BRHS policies and guidelines.
- Ensure information relating to patients/clients and colleague's is kept private and confidential at all times in accordance with BRHS policy and procedures.

Communication and Teamwork

- Actively participate in team meetings, staff forums and other meetings relevant to the role, and as required by supervisor.
- Work in a co-operative and collaborative manner with all team members to foster a positive and supportive work environment and person-centred service provision.
- Provide guidance and support to students and staff in your work area to contribute to a valuable and constructive learning experience.

Diversity and Inclusion

- Support an inclusive environment where all individuals are treated fairly, with respect and receive the same opportunities.
- Actively participate in developing cultural competence including an awareness, understanding and respect of the diverse range of cultures and backgrounds, including Aboriginal and Torres Strait Islander people, members of the LGBTIQ community and people with a disability.
